Head of Department : Head of Technology
Inner London Scale & TLR 1A (currently £7,519.00)

Required for September 2010, a dynamic Head of Technology able to lead a department and develop vocational education in technology. The department is currently undergoing building works and will open in September 2010 with new facilities to deliver vocational courses in salon services and construction, as well as offering GCSE courses. The successful applicant will:

- lead the vision for developing 21st century technology teaching
- be an outstanding classroom practitioner in one of the technology subject areas
- be aspirational with high expectations of students and staff
- possess a passion to lead and inspire colleagues creating a dynamic team that raises standards across the Academy

Closing date for receipt of applications: 12 noon 10th March 2010

Please telephone or email for an application pack.
