

St Mark's Academy to perform at Sadlers Wells for Step Live!

Step into Dance presents **Step LIVE!** on Sunday 11 July 2010 at Sadler's Wells Theatre. Join us for a dance feast!

St Mark's Academy's Step into Dance group consisting of girls from across KS3 were chosen for the event following their fantastic performance at the Merton Borough Event in March. The girls have worked incredibly hard for this event, rehearsing for 2-hours every week under the guidance of our fabulous Step into Dance teacher, Faye Rettie. We very much hope parents will be able to attend the event to cheer on our students. Go St Mark's!

Step into Dance is a partnership project between The Jack Petchey Foundation and Royal Academy of Dance delivering dance in 100 London secondary schools. Step LIVE! is the ultimate Step into Dance showcase and will bring together over 400 talented students from schools across 13 boroughs in a diverse festival of dance. Visit the Step into Dance website to view photographs and video clips of previous events.

Bursting with life, energy and colour, Step LIVE! will deliver an inclusive programme with something to appeal to everyone! Celebrating The Jack Petchey Foundation's 10th birthday, the Step Gifted & Talented project will showcase a piece specially choreographed for the occasion by the Jasmin Vardimon Company.
