Dear Parents/Carers,

22 March 2022

I wish you and your families a restful run up to the Easter holiday. It has been a pleasure to serve families as part of our community of transformation founded on the inclusive Christian values of, Love, Hope and Trust. Seeing parents and carers with students in Year 7 and 8 during Parents' Evenings has been a great way to strengthen our partnership.

As an Academy we are always looking for feedback about how we can further enhance our Academy's mission of transformation for all. One of our key priorities for the 2022/23 academic year is to build even stronger links with parents and carers. With this in mind, we are asking for your feedback via the survey below. This will also be a chance for you to share and celebrate any key strengths of the Academy.

Please can I kindly ask you to complete this by 31st March. All parents who complete the survey will be entered into a draw with the chance to win an iPad.
