

Dear Parent/ Carer

30/03/2022

Year 12 access remote education on Thursday 31st March 2022

As you know, Covid cases are rising across the UK. In light of the staffing issues this has caused this week, we are asking students in Year 12 to access remote education on **Thursday 31st March**. A handout to support you with Teams is attached.

Your child should not come to school tomorrow if they are in this year group. We expect them back in the Academy on **Friday 1st April** as normal, which is the last day of term. Please accept my apologies for any inconvenience this has caused.

If your child is supported by our SEND department, please do contact Ms van Zyl or Ms Sener to ask for them to attend tomorrow.

I want to thank you for working in partnership with the school as we manage the community throughout these challenging times.

Please ensure your child follows the following schedule as they work from home:

- Wake up by 8am for breakfast
- Access their first lesson at 9:20am
- Stop for break and lunch
- Complete all six lessons and Teams quizzes by 4pm

If you have another child at the Academy, they should continue to attend.

Thank you for everything you do as parents and carers to ensure students make the most out of their carefully planned home learning. Thank you for trusting in the Academy as we manage during these challenging times.

Yours faithfully,
