Dear Parent/Carer,

29 September 2022

As part of St Mark's commitment to deliver a school experience ensuring 'transformation for all' we are pleased to announce our new intervention provision.

Intervention is proven to have a positive effect on student achievement and allows teachers to close progress or attainment gaps in key areas. It is important that students realise the importance of these sessions which should be treated as an additional period at the end of the school day. As a school, we appreciate your support in ensuring that students attend intervention and take full advantage of this excellent opportunity to prepare them for exams at the end of year 11.

From next week*, all students in Key stage 4 are expected to attend a **mandatory intervention session** from 3:05- 4:00pm each week as follows:

Year 11

Tuesday 4th October: Year 11 Maths
Tuesday 11th October: Year 11 English
Tuesday 18th October: Year 11 Science

Year 10

Thursday 6th October: Year 10 English
Thursday 13th October: Year 10 Science
Thursday 20th October: Year 10 Maths

*The intervention subjects will change after half term, but the allocated day for each year group will remain the same. You will be notified of changes via letter and information will be available on our website.

For questions regarding intervention, please contact your progress leaders:

Year 11: Ms Grey: SGrey@stmarks.anthemtrust.uk

Year 10: Mr Stevens: JStevens@stmarks.anthemtrust.uk

Yours faithfully,

Ms Gallagher
Senior Vice Principal of Behaviour and Attitudes and Pastoral Development
