

Please come and visit our community of transformation
founded on Love, Hope and Trust

SIXTH FORM OPEN EVENING

Thursday 13 October

5:30pm-7:30pm

To attend, please register online at
www.stmarksacademy.com

St Mark's Academy Sixth Form invites you to our Open Evening to have first-hand experience of our exceptional KS5 offer. As an academy, we equip our students with the skills they need to develop their character and academic excellence and ensure that every member of our community achieves their God given potential. We offer a broad and balanced curriculum that supports the needs of our students as well as a unique enrichment offer to develop skills in the wider curriculum.

We outperform other schools in both A Levels and Applied General subjects. 2022 showed our best ever externally validated Key Stage 5 results. An exceptional 25% of A-Levels were awarded A*-A and 57% were awarded A*-B. We are also celebrating a top overall progress score which places our Sixth Form outcomes in the top 10% of schools in the country. The BTEC picture was equally impressive with almost 30% of our students achieving the highest possible mark of a Distinction* and 50% recording a Distinction* or Distinction.

Our Sixth Form believes in transformation for all and this is evidenced by our outstanding destination data. We had an incredible 21% of students go to Russell Group universities, including those who went on to study medicine and dentistry. In total, 74% of our students attended university, and all other students secured work placements, apprenticeships or deferred entry. This data proves our commitment to our students as we had a 100% pass rate in all exams, followed by 100% of our students securing successful placements after Sixth Form.
