Dear Parents/Carers,

04 January 2023

I am delighted to be writing on the behalf of St Mark's Academy to invite you to an 'energy café' facilitated by Crew Energy. As we are all aware, the cost of living crisis and rising energy costs have impacted us all this winter and we would like to take this opportunity to invite you to receive free confidential advice on how to reduce energy bills this winter.

The event will take place on **Thursday 12 January at 3:15pm in the school canteen**. Refreshments will be provided.

Please see additional information about the energy café below.

#### **What is an energy café?**

- Free, impartial energy advice
- Ways to make your home more energy efficient
- Free energy-saving devices
- Free home visits to assess your energy use

#### **Who are Crew Energy?**

CREW Energy is a not-for-profit community cooperative from south-west London. They care about making our community more resilient and sustainable, collaborating with community groups and individuals across the London boroughs of Wandsworth, Merton and Lambeth to reduce carbon footprints through low-carbon and energy saving solutions.

If you have any questions regarding your child. There will be members of the school's leadership team and student support team attending the event should you have any additional areas you would like to discuss. Should you have any further questions regarding the events please feel to contact me at [hpartis@stmarks.anthemtrust.uk](mailto:hpartis@stmarks.anthemtrust.uk)

Yours faithfully,

Hannah Paris
