Dear Parent/Carer,

17 March 2023

With GCSE and A-Level exams fast approaching, St Mark's Academy want to ensure that your child has every opportunity to prepare effectively so that they are able to fulfil their God-given potential and receive the best results possible.

In order to support your child, we will be running the following exam sessions over the coming two weeks:

- Catch up sessions for any student that missed exams due to absence.
- Retake exams for any student that received a U grade in a subject to enable them to have an additional opportunity to practice in that subject.
- Change of Tier exams where teachers believe that a Foundation paper would be more suitable than their current tier of entry.

If your child will be required to take one of these exams, they will receive information about the schedule of their papers early next week.

If you require any additional information please do not hesitate to contact me via email at jkhan@stmarks.anthemtrust.uk

Yours faithfully,

Ms Khan
