Dear Parent/Carer,

Thank you for confirming that your child will not be returning to school, effective from the 15th June 2020.

The government announced that secondary schools should offer face to face support for students in year 10 and year 12.

I appreciate that this is a very challenging time, I want to reassure you that we are planning the provisions for students taking into consideration the health and wellbeing of staff and students and of course the wider community.

If you change your mind and do wish your child to return to the Academy, please ensure you do not send them into school, you must email Lhampton@stmarksacademy.org.uk and we will be back in touch with you on how to ensure your child's return is managed safely.

As always please take care and keep safe. Do take time to refer to our website link <http://www.stmarksacademy.com/page/?title=Health+%26amp%3B+Well%2Dbeing&pid=164> to support your mental health and well-being.

Yours faithfully,
