

04 June 2020

Dear Parent/Carer

Year 10 & Year 12 students returning to the Academy

Thank you for confirming that your child will be able to return to school, from the 15th June in line with the recent government announcement.

Your response to the survey is now allowing us to plan suitable face to face provision. This extensive work is currently underway and we will be in touch with you again next week to provide greater details of this provision. This will of course ensure that your child's health and safety is of paramount importance, including their mental health and well-being, alongside supporting their academic progress.

Please do not send your child into school until you receive a follow up letter explaining the next steps.

As, always please take care and keep safe. Do take time to refer to our website link <http://www.stmarksacademy.com/page/?title=Health+%26amp%3B+Well%2Dbeing&pid=164> to support you and your families mental health and well-being.

Yours faithfully,

Lisa Peterkin
Principal
