

12 June 2020

Dear Parent/Carer,

We are approaching the time of year where we would typically be saying farewell to our Year 13 students as they finish their exams and embark on the next stage of their education or training. Although we cannot do this in person we would very much like to say a virtual goodbye to them and will be sharing our plans for this with you next week.

In light of this information we will no longer be setting work for Year 13 via Showmyhomework. However, because some students may wish to sit their A-level exams in autumn, we believe it is our responsibility to supply a pack of revision work for them to access should they wish to revise for any given subject. This revision pack will be available on Showmyhomework from **Monday 15th June** for our Year 13 students.

Once again, we wish you and your families all the best during these difficult times and thank you for the work that you continue to do at home to make sure that your child is prepared for the next stage of their education. Please be assured that the school is working tirelessly to ensure that St Mark's continues to be a place where all students flourish within and post this uncertain period of time.

I appreciate the challenges of the international pandemic and ask that you continue to take time to stay safe and be well, please feel free to visit our [health & well-being page](#) to support you and your families during these challenging times.

If you have any questions please contact either Mr Dalton ddalton@stmarksacademy.org.uk or Mr Foster sfoster@stmarksacademy.org.uk

With Love, Hope and Trust

Lisa Peterkin
